I have it all. Money, fame, and women throwing themselves at me every night. But if I could, I would trade it all in for what I truly crave because I'm a werebear in search of my mate.

I hope to find her tonight at my rock concert. And once I do, I'm going to claim her by leaving my scent all over her fertile body. Everyone will know she's mine from the bite marks I leave behind. I'll savor her sweet honey and gift her with a special present for her womb before the end of the night.

Standalone. HEA. No cliffhanger.

Includes an extended sneak preview of one of Desiree Hart's hottest series.
