## **Night Walk** David Hudnut

Two mysterious killers are on the loose in the city of Los Angeles. They select their victims at random. The easy-going Wistfell family will be their next target. The killers don't know that four-year-old Eva Wistfell has blossoming telepathic powers--neither do Eva's parents.

Aldrich Lewenhardt's controlling father Wilhelm expects nothing less than straight A's and over-achievement from him. Aldrich's mother Brigitte doesn't approve of her husband Wilhelm's abusive tactics, but when she tries to stand up for her son, Wilhelm makes it clear he doesn't care what she thinks. Wilhelm is going to raise their son HIS way, not hers.

The city of Los Angeles will grind them all down and smash them together. Will any of them survive?

Night Walk is a Paranormal Thriller. It's not gory horror, splatterpunk or horror porn. There is very little blood or guts. But there is a substantial amount of cursing and violence.

**WARNING: Recommended for ages 17 & up.**
