Wife Sharing Fiesta: 13 Wives Tell Why They Love Being Shared Joan Vegas

Let this collection of letters tease you into learning a little selfishness, ladies...

... and pick up a thing or two from wives who love it when their spouses "share" them with other men.

Read along as these wives gush about how "game" their husbands are to join in on the fun of athreesome. But most of all, read about how much these wives enjoy being the center of attention of two men, and find out why they love being fucked by their husbands and another man.

"Ladies, I encourage you to be a little selfish, and enjoy two men if you want. Talk to your boyfriend or husband. Chances are excellent that he's open to the idea. Try it at least once. But, like tasting a new food, you really should try it a few times before you decide whether you like it or not."

-Joan Vegas-

SAMPLE 1:

The best thing about being a shared wife is having your hubby join in on the fun. I love to suck my husband's cock while I'm being fucked by another man, and have them both cum at the same time. I love having them cum on my face, and on my breasts, and inside me...

SAMPLE 2:

On this particular day, he called me and said: "Hey... do you feel like playing this weekend?"

"Hell yeah," I told him.

On and off all week we talked about what fantasies we had. I never thought to bring up the idea of a threesome with him, though. He just didn't seem like the type. But ultimately, I didn't have to. Out of the blue one day, he asked me if I had ever considered being with two guys at the same time.

"Yeah, I've thought about it before," I told him. "But that's about as far as I've ever gone."

"Well I have a surprise for you this weekend," he said. "We are going to have company."

My cheeks burned and I knew I was blushing. I was just thankful he couldn't see me through a phone line.

"Oh ok... cool," I told him calmly.

But inside, I was ecstatic.
