About Face: A Bill Damen Mystery James Calder

Gene therapy that can stop skin from aging is a breakthrough technology, but before it can lead to eternal youth it leads to murder. In the second book in Chronicle's exciting new Bill Damen mystery series, the filmmaker-turned-detective's investigations again draw him into the dark side of high-stakes science and finance. The players include an executive escort service with a hidden agenda, a biotech company on the verge of either fortune or collapse, and venture capitalists with shady backers. Juggling old and new girlfriends and a car that still won't start, relying on his eye for the telling detail and instinct for danger, Bill must unravel both a double helix and a double identity to solve this murder.
