Betwixt Twists and Turns Mona Mohanty

Dragonflies are said to be harbingers of rain, but they may be much more for one unsuspecting woman. A household dog finds a reprieve when Grandma comes to stay. A young man stops by an ATM at night and finds himself encountering robbers-and a young woman who may not be what she seems. In *Betwixt Twists and Turns*, author Mona Mohanty presents a series of short stories born from random thoughts that popped up out of nowhere, overheard bits of conversation, parables of family lore, and anecdotes from friends. These tales come from a variety of viewpoints-an older woman who receives an unexpected telegram, a businessman who encounters what might be a ghost, and various animals sharing their impressions of human life. These stories vividly capture the routine of existence-but with a surprising twist. This collection of short stories set in India features tales with unexpected outcomes from a wide range of perspectives, both human and animal.
