## **Francisco de Goya** Priscilla Muller

Francisco de Goya y Lucientes, a Spanish painter, draughtsman, and printmaker, was the most important Spanish artist of the last quarter of the 18th and first quarter of the 19th centuries, serving three generations of Spanish kings. During his six active decades he produced some 700 paintings, 900 drawings, and almost 300 prints, which reflect his rapidly changing world. This fully illustrated Grove Art Essentials title explores the artist's extraordinary and prolific career, which spanned the period from the late Rococo to Romanticism and, at the last, presaged Impressionism. Discover how Francisco de Goya, known by 1801 as the 'Apelles of Spain' has come to be regarded in the centuries since as a major master of international stature and the first 'modern' artist.
