SAT Critical Reading and Writing Insights has everything you need to prepare for the Critical Reading and Writing sections of the SAT test. The book gives you detailed information about the types of questions asked in the SAT, question format, score weightage, as well as lots of examples, tips and strategies for both the Critical Reading question types namely Sentence Completion and Reading Comprehension. Reading Comprehension covers short, long, short paired as well as long paired passages.

The book also includes writing techniques, scoring patterns, question formats, expert strategies and an extensive review of grammar concepts to help you be better prepared for the Writing section of the SAT. The Writing section of this book covers all question types of today's SAT namely Essay Writing, Improving Sentences, Identifying Sentence Errors and Improving Paragraphs.

All questions in this book represent the types of questions in the real SAT. Towards the end, five full-length practice tests for the Critical Reading and Writing sections are included. Each test is six sections long. After each test, answers and detailed explanations for all questions are provided.

All in all, this step-by-step preparation guide provides you with the tools you need to succeed in the Critical Reading and Writing sections of the SAT.
