All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. *Barnes & Noble Classics* pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works.

One of the most widely read novels of the twentieth century, **Hermann Hesse's** *Siddhartha* explores the struggle of the soul to see beyond the illusions of humankind and achieve a deeper wisdom through spirituality.

Born into wealth and privilege, Siddhartha renounces his place among India's nobility to wander the countryside in search of meaning. He learns suffering and self-denial among a group of ascetics before meeting the Buddha and coming to realize that true peace cannot be taught: It must be experienced. Changing his path yet again, Siddhartha reenters human society and earns a great fortune. Yet over time this life leaves Siddhartha restless and empty. He achieves enlightenment only when he stops searching and surrenders to the oneness of all.

Rika Lesser's new translation deftly evokes the lyricism and quiet beauty of Hesse's novel, which first appeared in German in 1922. At once personal and universal, *Siddhartha* stands outside of time, resonating in the hearts of truth-seekers everywhere.

Robert A. F. Thurman holds the first endowed chair in Indo-Tibetan Buddhist Studies in the United States, the Jey Tsong Khapa Chair at Columbia University. The first American to be ordained a Tibetan monk, he has been a student and friend of His Holiness the Dalai Lama for forty years. Thurman is the author of numerous books, most recently *Infinite Life: Seven Virtues for Living Well*.
