The Kabbalist: A Cinematic Novel Semion Vinokur

The Kabbalist will overturn everything you thought about Kabbalah and spirituality. It is a pioneering book, conveying the inner workings of one who achieved direct contact with the singular force that governs all of reality. The Kabbalist carries a message of unity with scientific clarity and poetic depth, transcending religion, nationality, and mysticism, and showing us that the miracles take place only within, when we act in harmony with Nature and with the entire humanity.
