## **Under a Lucky Star: A Lifetime of Adventure** Roy Chapman Andrews

*Under a Lucky Star* is the autobiography—the lifetime of adventure—of the explorer and archaeologist Roy Chapman Andrews. Adored by the public and pursued by the press, Andrews came as close to superstar status in the 1920s as any explorer of the twentieth century. Much of *Under a Lucky Star* focuses on his grandest adventure, the Central Asiatic Expeditions, a series of five daring journeys into uncharted expanses of the Gobi Desert that produced a previously unknown treasure-trove of dinosaur remains. The Gobi region explored by Andrews and his team of scientists proved to be one of the most fruitful sites on earth for late dinosaurs and it continues to yield extraordinary paleontological discoveries.
