Everything Else You Always Wanted to Know About God (But Were Afraid to Ask) Eric Metaxas

In his earlier book, Eric Metaxas tackled the questions people had always wanted to ask about God. His book was well-received, but Metaxas soon realized there was a long list of questions that still needed to be addressed.

In *Everything Else You Always Wanted to Know about God...*, the author answers the rest—and some of the very best—of the questions that surface when God is the topic of conversation. Metaxas's welcoming tone and his skillful use of humor lower readers' defenses. He presents biblical truth in the form of engaging answers that can't help but connect, whether the reader is an inquisitive skeptic, an open-minded agnostic, or even a new believer looking to get grounded in the basics of the Christian faith.

No matter who is asking the questions, this sequel delivers the goods with disarming candor and biblical authority.
