The Orc of Many Answers (The Tales of Many Orcs Book 2) Shane Michael Murray

Down the mountain, one orc who asks too many questions tumbles, fleeing his past, with only an elven horse, a pair of boots, and an old book for company. Below the whole world awaits him, filled with humans, elves, trolls, and a thousand other monsters that make a habit of killing little orcs like Talking-Wind.

Worse than any of them is the Lady of Firebrand Peak, the dragon who told Talking-Wind to stay put and wait to be eaten like a good orc. Orcs hate questions, but the one thing they hate more than orcs that ask too many questions is an orc looking for all the answers. The pursuit of dangerous knowledge only ever leads to trouble for the tribe. The Lady is not kind, nor is she forgiving.

If Talking-Wind wishes to have any kind of chance to survive he will have to understand why dragons are what they are, and what makes dragons do what dragons do. If he can stay one step ahead of the Lady of Firebrand Peak maybe, just maybe, he might even find a way to fight back.

Talking-Wind will need answers.

And a lot of them.
