A Diamond in the Rough (The Diamond in the Rough Series) (Volume 1) Elisa Marie Hopkins
25-year-old model Sophia Cavall has a seemingly nice life walking the runway until she begins to receive death threats through social media and is almost kidnapped by a masked figure. She tries to fight off her assailant, but luckily the attempt ends in failure when mysterious business magnate Oliver Black intervenes. Sophie doesn't know it, but the stakes are high: her life and her heart. Desperately needing support, she turns to a few trusted people, and to Oliver most of all. But can he be trusted, who speaks the truth, and the question on everyone's lips: who is the man in the mask? Her checkered past returns to entangle her. She will come to realize that it is not dead after all...it is still very much alive. A Diamond in the Rough is a love story, a thriller, funny in parts and moving in others. Most of all, it is a gripping debut novel that will have you guessing and turning pages until you reach the end.
