J.R.R. Tolkien's "The Lord of the Rings" trilogy has been called one of the greatest fantasies of all time--but it is massive! There are hundreds of characters, plots, and settings. This study guide is a companion to the first book in the series: The Fellowship of the Ring. It's the perfect guide to someone who wants extra help keeping up with all the twist and characters, or who just wants a refresher while reading the rest of the books in the series.

The guide features an author biography, a plot overview, summary of major themes, summary of characters, and a summary of settings; it also has a chapter by chapter recap of the entire book.

BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book.
