The Dublin Paper War of 1786-1788: A Bibliographical and Critical Inquiry (History) W. J. Mc Cormack

The long and acrimonious exchange of pamphlets, which surrounded publication of Richard Woodward's *Present State of the Church of Ireland* in December 1786 has attracted a good deal of comment from historians interested in the Whiteboys, resistance to tithes and interdenominational relations in Ireland. Emphasising the importance of theoretical reflexivity in critical practice, W.J. Mc Cormack goes beyond commentary to establish a full and annotated list of the publications involved. His bibliographical research is carefully placed within a wider context of interpretation, drawing on Anglo-American linguistic philosophy, German critical theory and Begriffsgeschichte, and the findings of fellow Irish researchers.
