Weapons of the Navy Seals

Kevin Dockery

Weapons of the Navy Seals Kevin Dockery

For the first time, one painstakingly researched volume unveils the weapons and ammunition that have served the SEALs in combat operations around the globe. Much more than a mere catalog of arms, this book traces each weapon from the development stage to its current form.

Also included are exclusive accounts from the men who were among the first to see these weapons used in armed conflict. Written with the cooperation of the UDT/SEAL Museum Association in Florida, and packed with detailed information and photos--some never before in print--this book offers fresh insight into the technology that for decades has sustained the Navy SEALs as an unstoppable military force.
