Abandoned Jennie Hansen

Tisa Lewis has spent her life remembering frightening images from her childhood—a dead woman, headlights in the night, an empty highway, an abandoned girl clinging to a fence in the wind and the rain. These fleeting memories have restrained her, have pushed her to deny six fiancés, have prevented her from keeping a steady job, and have kept her from developing faith in her Church and her God.

Now, just as she begins to settle in at a new company—just as she starts to fall in love with Cabe Evans, her foster brother's new police partner—the past she can't remember threatens to take everything away from her. As Peter and Cabe's investigation of a powerful mafia family begins to uncover Tisa's past, Tisa's past comes looking for her.

From best-selling author Jennie Hansen comes *Abandoned*, a breathtaking, suspenseful new novel about a young woman's determination to shape her own future by conquering her tragic past.
