Titles in this bundle include: *One Night Stand*, *Beautiful Stranger*, *Only a Taste*. More releases in this series are planned towards the end of 2015, so keep an eye out!

One Night Stand

Lucy is used to having a handle on things herself: her business, which she's fighting to turn around after a rough patch, and her love life, which consists of carefully conducted casual encounters during which only she calls the shots.

A one night stand with George, the irresistible tall, husky, rough biker whose deceptive exterior hides a gentler side, changes everything. Her usual approach doesn't work for her anymore: she doesn't want to say goodbye. **Is it time she let someone else into her life for longer than just one night?**

Meanwhile, the crucial project she's just landed is about to fall to pieces, threatening her reputation as well as her finances. Suddenly Lucy has to learn what it's like to not be in control of anything at all.

Beautiful Stranger

Twenty-four year old Claudia has always been the sensible one. From her boring call centre job right down to her practical wardrobe, flash and extravagant are not part of her normal vocabulary. She may live in Ascot, the home of British horse racing, but the presence of all the moneyed revellers blocking her route home from work are more of a nuisance than a thrill. Until one of them catches her eye...

Peter's life couldn't be more different. All his life he's worked hard to make it in the banking industry, to give his wife all she's ever wanted. After a day of sipping champagne and watching the races, an indiscretion of hers with Peter's colleague changes this picture-perfect vision of middle class life forever. He decides to cut and run, only, he hasn't a clue where he's going.

A chance meeting by the side of the road brings them together, making them forget their opposing backgrounds. **Is passion alone enough to overcome their differences?**

Only a Taste

When Mandi (Mandeep Garg) is forced to move back in with her conservative parents, she's preparing to say goodbye to all the freedoms she's enjoyed so far: no curfews, no questions, and the freedom to date or hang out with whoever she wants. She spends her last night of independence with Callum, whom she has only just met. Sparks fly almost immediately. **Can she say goodbye?**

TV Chef Callum Byrne is used to getting what he wants, both from relationships and life in general. From his first meeting with Mandi, he realises she's refreshingly different: his fame doesn't impress her much. She tells him she's only looking for one night of fun. **Will he let her go?**
