Children and Young People's Worlds: Developing Frameworks for Integrated Practice

Children and Young People's Worlds: Developing Frameworks for Integrated Practice

This comprehensive reader combines post-graduate level theory with contemporary case studies to illustrate and analyse the complications of children and young people's lived experiences in the UK and worldwide in the early 21st century. Authors in several fields of childhood and youth studies apply their expertise to areas such as young people and the law, children's rights, child protection, sexuality, participation, politics and family life. Using the voices of the children and young people themselves, key topics illustrate important contemporary issues in the study of childhood and youth and show how these impact on policy initiatives and practical interventions in children's lives.
