## **Cooper (The MacKenzie Family Book 7)** Liliana Hart

Claire Drexel has loved Cooper MacKenzie since she was fourteen years old. But being ten years older, he's never seen her as anything more than a kid sister. So she decides to take matters into her own hands. It's not a secret that Cooper is a heavy player in the BDSM scene, and Claire decides what Cooper needs is the perfect bottom to his top. Only she gets more than she bargains for.

Cooper MacKenzie can't believe his eyes when he sees little Claire Drexel sitting on the lap of one of the most dangerous men he's ever met. The fool. She's just walked into the middle of a drug investigation at one of the premier BDSM clubs in the state, and one wrong move could blow the cover he's been developing for the past three years. He has no choice but to intercede and claim her as his own, but facing the consequences of his actions might be more than even he's bargained for.
