Exultant: Destiny's Children Book 2 Stephen Baxter

Set 25,000 years from now, EXULTANT takes mankind into a millennial war for the control of the galaxy itself. A war against the unknowable, utterly alien Xeelee. Now the war has reached the galaxy's hot core, the Xeelee stronghold and, impossibly, it seems that a final victory may be at hand. It is a victory that will rely on mankind's latest warriors. In a war for survival you are expected to live bravely and die young for the good of the greater. A massive selective breeding campaign has led to the best solution - child soldiers. But the Xeelee predate man by millions of years and they will not be easily beaten. EXULTANT is an epic dark novel of a savage future. It is at once a warning about the dangers of winning whatever the cost and a hugely impressive piece of SF.
