Guillermo del Toro: At Home with Monsters: Inside His Films, Notebooks, and Collections Guillermo del Toro

The perfect companion piece to an enthralling new exhibition on the visionary work and fervent imagination of director Guillermo del Toro.

In 2016, a new exhibit on the work of visionary director Guillermo del Toro will begin at the Los Angeles County Museum of Art (LACMA), before moving on to the Art Gallery of Ontario (AGO) and the Minneapolis Museum of Art (MIA). This book will be the perfect accompaniment to the exhibition, which focuses on del Toro's creative process, including the well-defined themes that he obsessively returns to in all his films, the journals in which he logs his ideas, and the vast and inspiring collection of art and pop culture ephemera that he has amassed at his private "man cave," Bleak House. Filled with imagery from the exhibit, including favorite pieces of art that del Toro has chosen for the exhibit, and pertinent journal pages, the book will further delve further into the director's world through exclusive in-depth interviews and commentary from notable figures in the art world. Forming a perfect companion to the exhibition, this book will deliver an engrossing look into the mind of one of the great creative visionaries of our time.
