Ladies Who Launch is the first company to define the feminine approach to launching a business and to make the connection between starting a business and bringing creativity into your life with self-esteem and happiness. The nationally acclaimed Ladies Who Launch program has enabled thousands of women across the country to break out of 9-5 and thrive in entrepreneurial enterprises that reflect their true passions, skills, and desires. Located in more than 40 cities in the United States, the Ladies Who Launch incubators - workshops that give women the support and encouragement they need to embark on making their dreams reality - have inspired women to start businesses, grow existing companies, and tap into their creativity to develop essential services and products and enjoy the lifestyle of their dreams while doing it.

Available for the first time in book form, the 4-step incubator process, using self-tests, inspiring stories, and practical information, gives women the courage to dare to follow a cherished but unfulfilled dream. Through this unique program women are encouraged to

Imagine it - allow a secret desire to come to light
Speak it - choose a dream to pursue
Do it - take effective action to make it reality
Celebrate it - revel in successes, reward effort, and be good to yourself along the way
