## **Project Management** Dennis Lock

This text examines the entire process of project management in detail, from initial appraisal to final closedown, demonstrating techniques that range from the simplest of manual charts to sophisticated computer systems. It is reinforced throughout with case examples and diagrams. For this 8th edition the book has been revised and updated, and it includes an additional chapter on aspects of managing project risk. As with previous editions, care has been taken to ensure that the text style remains easy to read, with clear diagrams and a construction that is logically organized, indexed and simple to navigate.
