Slave Systems: Ancient and Modern

Slave Systems: Ancient and Modern

A ground-breaking edited collection charting the rise and fall of forms of unfree labour in the ancient Mediterranean and in the modern Atlantic, employing the methodology of comparative history. The eleven chapters in the book deal with conceptual issues and different approaches to historical comparison, and include specific case-studies ranging from the ancient forms of slavery of classical Greece and of the Roman empire to the modern examples of slavery that characterised the Caribbean, Latin America and the United States. The results demonstrate both how much the modern world has inherited from the ancient in regard to ideology and practice of slavery; and also how many of the issues and problems related to the latter seem to have been fundamentally similar across time and space.

Stephen Rael:

Your reading sixth sense will not betray an individual, why because this Slave Systems: Ancient and Modern publication written by well-known writer whose to say well how to make book which might be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and creating skill only for eliminate your personal hunger then you still question Slave Systems: Ancient and Modern as good book not just by the cover but also with the content. This is one book that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick this specific!/? Oh come on your looking at sixth sense already said so why you have to listening to one more sixth sense.

Joseph Davis:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Slave Systems: Ancient and Modern can make you feel more interested to read.
