Walt Whitman, Loren Long

When I Heard the Learn'd Astronomer (Golden Kite Honors) Walt Whitman, Loren Long

Leave time for wonder.

Walt Whitman's "When I Heard the Learn'd Astronomer" is an enduring celebration of the imagination.

Here, Whitman's wise words are beautifully recast by *New York Times* #1 best-selling illustrator Loren Long to tell the story of a boy's fascination with the heavens. Toy rocket in hand, the boy finds himself in a crowded, stuffy lecture hall. At first he is amazed by the charts and the figures. But when he finds himself overwhelmed by the pontifications of an academic, he retreats to the great outdoors and does something as universal as the stars themselves...

he dreams.
