There is a special bond between a father and a daughter, and when that bond is broken by death, a woman's life can change in profound and unexpected ways. Clea Simon, critically acclaimed author of *Mad House*, explores this crucial meeting point of grief and growth by delving into her own experience and those of other women to paint an illuminating portrait of the father-daughter relationship and its lifelong ramifications. Filled with moving stories of real women, this poignant, comforting, and insightful book paves the way for all women to make peace with the past, with the adults they have become, and to courageously face the question: what happens next?
