Don't Miss This Romantic Tale in Morna's Legacy Series of Scottish Time Travel Romance Novels by *USA TODAY* Bestselling Author, Bethany Claire

She left her whole world behind to find the one thing that really matters.

Jane Mitchell has many dreams for her life, but living in the seventeenth century was never one of them. Unknowingly transported through time by the meddling witch, Morna, Jane chooses to stay in the past so she can remain in her beloved nephew's life. Castle life doesn't really suit her, and Jane quickly finds that her love for her family isn't enough to fill her hungry soul. Eager for purpose, she takes work at the village inn. One frigid evening, she takes in the most infuriating man she's ever met...never suspecting for a moment that he could be the one her soul hungers for.

Adwen MacChristy doesn't want to be laird of Cagair Castle. With a youth spent traveling the world and sleeping beneath the stars in the company of loose women, nothing weighs on Adwen's heart like knowing the life he loves is about to come to an end. He would rather spend his days as a penniless wanderer than take on the responsibilities handed to him by his father. On his last night of freedom, Adwen stops at the inn near McMillan Castle and meets the only lass to ever deny his advances, bewitching him in an instant. Suddenly, he finds himself believing that responsibility might not mean a life spent in chains if he has a fiery lass like Jane by his side.

Will Jane allow herself to fall for a man who is the very embodiment of the reckless life she left behind, or will fate make the decision for her when it sends her through time once again?
