Mis confusiones (Spanish Edition) Rius

Veinte años han transcurrido desde que Rius publicó su primer ejercicio autobiográfico, memorial: Rius para principiantes. En él "digo una buena parte de lo que escribí para este nuevo libro. Aquel fue celebrando mis 40 años como caricaturista y 60 de vida. Este sería para celebrar (o recordar, más bien) mis 60 años de monero y 80 de edad" escribe el autor en el prólogo y a su vez, con el humor que siempre empapa sus textos, advierte que el lector no encontrará mayor diferencia entre un libro y otro, a menos que éste, el posible lector, sea masoquista: "En estos últimos veinte años he trabajado menos, he viajado menos y he follado menos, lo cual es completamente Normal para el ser humano. **ENGLISH DESCRIPTION** Twenty years have transpired since Rius published his first autobiographical memoir account: Rius for Beginners. In it, "I say a good portion of what I wrote for this new book. That was to celebrate my 40 years as a caricaturist and 60 years of life. This will be to celebrate (or, rather, to remember) my 60 years of being a political cartoonist and 80 years of age," writes the author in the prologue. At the same time, with the humor that always saturates his texts, he warns that the reader will not find a large difference between the two books unless this potential reader is a masochist: "In these last twenty years, I have worked less, I have traveled less, and I have shagged less, which is completely normal for a human being.
