CATHERINE wakes up in the hospital, shocked to learn she's trapped at the center of a battle for souls, and hers is up for grabs. To survive, she must first forgive herself for the damage she caused while under the influence of demons, a task that seems impossible until the last person she would ever trust shows up and offers to help. JASON may be dead, but he's still in withdrawal, and the Devil is waiting for him. He offers Jason a fix-for a price. Jason knows he shouldn't bargain with the Devil, but he's sure he can outsmart him...until he discovers a dark secret about himself that could destroy what's left of his family. MICHAEL died on the threshold of a brand new life. Now, as a ghost, he will do whatever it takes to keep Catherine safe, but he's fighting against the Devil, a community turned against them, a destiny they have yet to uncover, and a newly-dead enemy who wants revenge. Michael hates Catherine's ex-boyfriend Jason, but things get complicated when he finds out one of them left a little piece of himself behind. Three humans. Two sides. One war that's been waged since time began.
