Carol Buchanan

The Ghost at Beaverhead Rock (The Vigilante Quartet) (Volume 4) Carol Buchanan

Throughout 1864, the Montana Vigilantes have ruled Alder Gulch, but as Montana Territory is organized, a new Chief Justice warns the Vigilantes: "No more midnight executions." At the same time, Daniel Stark, the Vigilante prosecutor, is accused of stabbing a man in the back in order to win his wife and his gold claim. If the true killer is not discovered, Dan could be tried for the crime, convicted by a jury, and hanged. Even if the court acquitted him, he could be tried and hanged by the Vigilante tribunal. Even as he vows to find the murderer and prove himself innocent, the ghost of a hanged man haunts him. Is it a vision of his fate to come? Is it retribution? Dan tells the apparition, I do not believe in ghosts.
