The Presidential Dickerbook Patrick Baker

The Presidential Dickerbook is a political sticker book for grown-ups. Inside are 44 stickers of (Lyndon B.) "johnsons." Place one on each American president and learn the history of White House dickery.

James K. Polk provoked war with Mexico. He gets a cannon dick. Bill Clinton "played around" with a White House intern. He gets a saxophone-playing dick. James Garfield feuded with Senator Conkling. His dick sticker looks like Garfield the Cat, because duh. Stick it to every president, from Washington to Obama!
