Iris has never met a man like Julian before - muscular, confident, and way out of her league... or so she thinks, until he seduces her into breaking the rules of the college she works at in a steamy encounter in the middle of her shift. Little does she know that Julian plans to use the college rules to control her, leveraging her fear of losing her job to bring her deeper and deeper under his control. Iris never thought that she would do anything as intense as he leads her into doing, and she starts to crave the way he dominates, controls, and uses her for his pleasure.
