Getting Started: The First Session of Biblical Counseling What you do in the first session will set the tone for what follows--for good or for ill. It will help the counselee gain confidence in your ministry to him and--what is of greater importance--in the Word of God and the God of the Word. Breaking Through: The Turning Point of Biblical Counseling The turning point is crucial because true Christian change always involves a closer approximation of the thoughts and the life of the counselee to the thoughts and the ways of God as these are set forth in the Bible. Finishing Well: The Termination of Biblical Counseling This final book has to do with closing out a series of counseling sessions--how you know when to do so, how you do it, how you can make certain that you have done the right thing, and how you may follow up.
