Heavenly Letters: Correspondence From Beyond the Veil Bob Lewis

If you never receive late-night visits from somebody "beyond the veil," letters from heaven might be the next best thing. In this series of whimsical epistles smuggled to earth from the Spirit World (or Paradise), we catch a humorous glimpse of what daily life in the Realms of Glory might be like. Unexpected encounters with ordinary and famous people, sparkle with literary, political, social, and religious allusions designed to tickle the mortal and post-mortal funny bone. There are meetings with Sisyphus and Samson, Attila the Hun and Henry David Thoreau. Will Shakespeare, Helen of Troy, and the wife of William Blake make appearances, as well as a certain English Lord who wrote poetry. Since the author is a Utah Mormon, a Glossary of Terms is included at the end of the book to assist less-active and non-Mormons, Progressives and Pagans to understand the terminology.
