28 Extraordinary Object Lessons for Home School and Sunday School Patricia Meyers, Amy Middleton
Miss Pat and Miss Amy have been keeping kids' attention for a combined 45 years! They know how to do it and will help you do it, too. These lessons combine visual, hands on, and auditory learning. Those adorable preschoolers will be laser focused on what you are doing and saying.

Everyone, even preschoolers, learn best when visuals are involved. What can you teach them using play dough? A slinky? A balloon? A Mr. Potato Head toy? You'll be amazed! And you'll have a blast right along with them.

Jesus taught His parables using things the people could not only relate to, but things that helped them latch onto the truth being presented. Let's do the same. The kids you teach are going to LOVE these lessons. You will, too.
