Two-hundred-year-old Daegan Blackwell is one of the last remaining Empowered, an ancient magical race. Daegan's duty is to lead and protect his remaining Brethren in the coming war foretold by prophecy. The last thing he expects is to meet the one woman who will either save or destroy him—his destined mate.

Fiercely independent Realtor Olivia Farrell believes darkly handsome Daegan is simply a prospective client. Until she's attacked by a man with a strange aura—and Daegan fights him off, taking away her pain with just his touch. At first, Olivia refuses to believe she's part of a magical race, yet mounting evidence and her powerful chemistry with Daegan are too strong to deny.

But as Daegan's partner, Olivia becomes a target in the battle between good and evil that threatens her life, as well as the very existence of the Empowered. And the only one who can save her is the man claiming to be her destiny...
