Forest Has a Song: Poems Amy Ludwig VanDerwater

A spider is a “never-tangling dangling spinner / knitting angles, trapping dinner.” A tree frog proposes, “Marry me. Please marry me... / Pick me now. / Make me your choice. / I’m one great frog / with one strong voice.” VanDerwater lets the denizens of the forest speak for themselves in twenty-six lighthearted, easy-to-read poems. As she observes, “Silence in Forest / never lasts long. / Melody / is everywhere / mixing in / with piney air. / Forest has a song.” The graceful, appealing watercolor illustrations perfectly suit these charming poems that invite young readers into the woodland world at every season.
