## **Human: A Shadow Empires Book** S. M. Carrière

At the behest of the vampiric Shadow Council, Aleksandar Svetoslav, Prince of his House, moves to America to re-establish their foothold there. It was a territory lost when opportunistic vampire hunters laid waste to the hedonistic House Üstrel. He did not expect to find the assets of House Üstrel in such shambles. Nor did he expect that this tedious mission would lead to the beautiful police officer Alicia Wilde, who resurrects feelings in him that he had long thought dead. He certainly did not anticipate her partner, Detective Stephen Brody, who not only knows what Aleksandar is but has vowed revenge on all his kind. Things spiral quickly out of control as Aleksandar is drawn into a cat and mouse game with a deranged kidnapper targeting those closest to him. Betrayal draws Aleksandar and Detective Brody together in a frantic battle to save Alicia and the city from a true monster.
