Awaken the elusive information within your Akash.

Have you ever wondered where your personality comes from? What about your fears and phobias?

What creates a child prodigy? Is it possible that you have lived before?

The answer to these questions and more is the purpose of this book.

Australian author, Monika Muranyi, has compiled everything that Kryon has ever channelled about the Akash!

For over twenty-four years the loving messages of Kryon, as given by Lee Carroll (the original Kryon channel)

have become known world-wide. This book, second in the Kryon trilogy series, represents an amazing job of research that covers in detail the elusive information within your Akash and includes material never before been

the former you? That is mining the Akash. That's a quantum Human Being, and it goes way beyond what you

were told past life energies were for. You were told they were for karmic exchange. It's the old idea that past life

experience builds up in your DNA so that you will be disturbed by it, so that it will become the sand in your oyster

and then you have to accomplish something to get around it. It is very old information, and now you can go way

beyond that.

What if the whole reason for the Akash is just the opposite? What if it is a gold mine with your name on it?

You lived all those lives. Think about that. It's life experience; it's wisdom, shaman. Now,
