The Onyx Dragon (Shapeshifter Dragon Legends Book 2) Marc Secchia

The battle is won, but the war has just begun. Evil stalks the Island-World as the Marshal of Herimor and his Dragon-slaying hordes put nation after nation to the sword. The haunting cry of the Nurguz summons all Dragonkind to their doom. None can resist.

But Marshal Re'akka and his all-conquering Dragon Assassins are not the only trouble on the horizon. For there is a new Dragoness finding her wings, and she will stop at nothing to protect her loved ones. She is Pip the Pygmy Dragon, jungle-born, survivor of seven years in a zoo. She dreamed of being Human. She is more. Much more.

Now, Dragon wings darken the dawn. Diminutive. Sassy. Full of fire and great heart. As Pip and her friends chart a perilous path in search of the secrets of her heritage, they will find a power of old reborn in the smallest of Dragons.

One will stand against evil. She is Onyx, mighty of paw and deed. She is the laughter of starlight, and she will never allow evil to prevail. Let Dragons thunder! Let the battle commence!

Series Note

The Onyx Dragon is the sequel to The Pygmy Dragon and is set in the same world as my epic Dragon adventures Dragonfriend, Dragonlove, Aranya, Shadow Dragon and Dragon Thief. I recommend reading Aranya and Shadow Dragon (the Shapeshifter Dragons series) after this if you haven't already. By the end of The Onyx Dragon, you'll know why.

The plan is to release Dragonsoul in the summer and Aranya Book 3 in the autumn, completing the Dragonfriend and Shapeshifter Dragons series.
