**The Regulation of International Trade, 3rd Edition** Michael J. Trebilcock, Robert Howse

Drawing on a wide variety of classic and contemporary sources, respected authors Howse and Trebilcock here provide a critical analysis of the institutions and agreements that have shaped international trade rules. In light of the growing debate over globalization, they include special sections examinations of topics such as:

- \* agriculture
- \* services and trade-related intellectual property rights
- \* labor rights
- \* the environment
- \* migration.

Drawing on previous highly praised editions this comprehensive text is an invaluable guide to students of economics, law, politics and international relations. Now fully updated, this third edition includes full coverage of new developments including the Doha trade round, attitudes towards the Kyoto protocol and the growing body of WTO dispute resolution case law.
