The Third of a Twin Brian Harrison

A novella told from a young abused boy's perspective who discovers an alien, Gui-Gui, has crash landed in the pond outside his home. The young boy who isn't well educated must teach Gui-Gui everything he knows about Earth as best as his vocabulary and knowledge allows.

Gui-Gui explains that he is there for one week in order to determine whether or not his race can help Earth fix what's wrong with it or not.

An experimental, story of what it means to accept who we are, trust our instincts and do what we feel is right.
