Sarah's Crew [Siren LoveXtreme Special Edition: Erotic Futuristic Sci-Fi Menage Romance, M/F/M/M/M/M/M, HEA] Sarah Lowen is leaving her past for a fresh start, but when fate has other ideas she finds herself with six rescuers that need her just as much as she needs them. When Sarah wakes up from her accident to see that she's been rescued by beautiful alien men she thinks she must be dreaming; but her imagination couldn't have prepared her for the reality of what they need from her. Daegan was relieved that they had found a suitable female to bond with, fearing he had condemned his bond-mates and crew to certain death by trusting the wrong woman. Tristan, Vaughn, Rykken, and Callen seem to be more than content with sweet little Sarah, but Zane seems determined to keep his distance. Will Zane's unwillingness to love Sarah cost them all their future? ** Talia's Match [Menage Amour: Erotic Paranormal Sci-Fi Menage a Trois Romance, M/M/F, with M/M, shape-shifters, HEA] Talia Booth finds herself kidnapped from her home planet of Earth while hiking and wakes up in an auctioning facility on a strange planet surrounded by aliens. Luckily she catches the eye of a couple of beautiful men who are familiar with her species and they decide to rescue her from a dreadful fate. Asher Rhodan and Grae Derhsavve have been looking for a third to complete their relationship and start a family and when they see Talia, they both know she's the one. All they have to do now is convince her that a relationship with both of them is possible. The Prince and the dragon may not be the type of males that Talia is used to, but before long she finds their attention and steamy teasing impossible to resist. Asher's complicated family situation threatens to destroy the new happiness the trio has found. Can Talia let go of her inhibitions and let herself love the men that destiny has brought her to? ** A Siren Erotic Romance
