Kissed by the Alpha Cowboy

Misha had found herself immersed in a mail order bride scheme gone wrong. Leaving her country of Russia to marry a ranch owner in Texas proved that she made her journey only to find that he wasn't the man in the photo he sent. He was not the cowboy she had hoped for. While she patiently awaits their marriage ceremony, she meets the neighboring cowboy rancher, Jeremy Brazos, who plants a kiss on her that she will not soon forget.

She does not tell him that she is engaged to his ranch neighbor and allows him to lavish his attention on her. Jeremy Brazos wants this tall Russian beauty he meets when she is found trespassing on his property, and doesn't understand why she doesn't show up to their secret rendezvous.

Though he tries, he just simply can't get her off his mind, and when she finally does show up, he gives her the proper cowboy welcome she had hoped for. But will she be able to escape her mail order scheme, or will she be forced to marry a man that repulses her?
