Keyboarding Skills Grd 3-12 2nd Edition Grd 3-1

This newly revised supplement to the Writing Skills series boosts writing achievement through keyboarding skills. Keyboarding and typing skills are increasingly important for student writers, especially those who struggle with the motor tasks of manual writing. This proven approach uses the innovative multisensory alphabet method to teach keyboarding skills to students of varying ages. Integrated with the Writing Skills series, this student book helps develop confidence and fluency in young writers. This second edition contains new and expanded exercises and a student-friendly design. Skills addressed include home row keys, lowercase letters, uppercase letters, numbers, symbols, and writing applications. The book forms its own easel for ergonomic comfort. Grades 3-12."
