ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

-- Used by over 1.5 million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This is the product access code card for MasteringGeology™ with Pearson eText and does not include the actual bound book.

With the renowned readability of the Lutgens/Tarbuck/Tasa team, the **Eleventh Edition** of *Essentials of Geology* continues to enhance both the approach and the visual presentation that have made this text a best-seller. This revision incorporates a new active learning approach throughout each chapter, which offers students a structured learning path and provides a reliable, consistent framework for mastering the chapter concepts. It also includes new additions to the visual program and current issues, such as climate change, are thoroughly updated.

Package contains: MasteringGeology with Pearson eText standalone access card

From reader reviews:

Maria Gardner:

Within other case, little persons like to read book MasteringGeology with Pearson eText -- Standalone Access Card -- for Essentials of Geology (11th Edition). You can choose the best book if you want reading a book. Providing we know about how is important some sort of book MasteringGeology with Pearson eText -- Standalone Access Card -- for Essentials of Geology (11th Edition). You can add knowledge and of course you can around the world by the book. Absolutely right, mainly because from book you can recognize everything! From your country until eventually foreign or abroad you can be known. About simple issue until wonderful thing you may know that. In this era, we could open a book or searching by internet system. It is called e-book. You may use it when you feel fed up to go to the library. Let's study.

Stanley Wells:

Reading a e-book can be one of a lot of exercise that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new info. When you read a guide you will get new information simply because book is one of a number of ways to share the information or maybe their idea. Second, looking at a book will make anyone more imaginative. When you examining a book especially fiction book the author will bring that you imagine the story how the personas do it anything. Third, you are able to share your knowledge to some others. When you read this MasteringGeology with Pearson eText -- Standalone Access Card -- for Essentials of Geology (11th Edition), you could tells your family, friends and also soon about yours book. Your knowledge can inspire the mediocre, make them reading a reserve.

Guadalupe Baum:

A lot of people always spent their very own free time to vacation or even go to the outside with them family or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity this is look different you can read a new book. It is really fun in your case. If you enjoy the book that you just read you can spent the whole day to reading a reserve. The book MasteringGeology with Pearson eText -- Standalone Access Card -- for Essentials of Geology (11th Edition) it doesn't matter what good to read. There are a lot of individuals who recommended this book. These folks were enjoying reading this book. In the event you did not have enough space to bring this book you can buy typically the e-book. You can m0ore simply to read this book through your smart phone. The price is not very costly but this book provides high quality.

Jamie Ault:

What is your hobby? Have you heard that will question when you got pupils? We believe that that problem was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And you also know that little person including reading or as reading through become their hobby. You need to know

that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You discover good news or update about something by book. Amount types of books that can you go onto be your object. One of them is actually MasteringGeology with Pearson eText -- Standalone Access Card -- for Essentials of Geology (11th Edition).
