The Art of the Deal by Donald J. Trump | Book Summary (BONUS INSIDE)

This book is an insightful journey about a man's life and how he achieved great success in his career up until that point. Donald Trump was a young entrepreneur entwined in many controversies, but knew (and still knows) how to use these controversies to his own benefit. He has always been skilled at living large and doesn't take no for an answer. This book gives you inside knowledge and inspiration on how to make a deal successfully. This book is actually more of an autobiography than a "how to" or self-help book. It is an interesting view of the past, a long look at the mogul on his way to becoming America's most famous businessman. This is a boastful, boyishly disarming, thoroughly engaging personal history, which offers an inside look at aspects of financing, development, and construction in big-time New York real estate.
