My lame boyfriend Jimmy is in the hospital again.

I go to visit him, and once again he tries to pressure me into **giving it up**. But how can I have my **first time** be with someone so passive?

But to get him to shut up I do something else for him. We're interrupted when someone walks in on us, the **man of the house**, who unlike my boyfriend is a real **alpha male**, the sort of **man who always takes what he wants**.

The **dominating** Mr. Bronson threatens to tell my overly religious folks and I know if he does, I'll lose my money for college.

But I can tell by the way he's looking at me, there might be a way I can get him to not tell on me, even if it means doing it while **my boyfriend watches**.

This 6500 word erotic short story contains graphic sexual content, **older man younger woman cherry popping**, and **cuckold humiliation**.
