The Economics of Immigration: Theory and Policy

Örn B. Bodvarsson, Hendrik Van den Berg

The Economics of Immigration: Theory and Policy Örn B. Bodvarsson, Hendrik Van den Berg

The Economics of Immigration is written as both a reference for researchers and as a textbook on the economics of immigration. It is aimed at two audiences: (1) researchers who are interested in learning more about how economists approach the study of human migration flows; and (2) graduate students taking a course on migration or a labor economics course where immigration is one of the subfields studied. The book covers the economic theory of immigration, which explains why people move across borders and details the consequences of such movements for the source and destination economies. The book also describes immigration policy, providing both a history of immigration policy in a variety of countries and using the economic theory of immigration to explain the determinants and consequences of the policies. The timing of this book coincides with the emergence of immigration as a major political and economic issue in the USA, Japan Europe and many developing countries.

From reader reviews:

Corey Ison:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining such as comic or novel. The actual The Economics of Immigration: Theory and Policy is kind of reserve which is giving the reader unpredictable experience.

Dolores Rawson:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider whenever those information which is in the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you have the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take The Economics of Immigration: Theory and Policy as the daily resource information.

Ruth Morefield:

Your reading 6th sense will not betray anyone, why because this The Economics of Immigration: Theory and Policy book written by well-known writer who really knows well how to make book which might be understand by anyone who have read the book. Written inside good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still doubt The Economics of Immigration: Theory and Policy as good book not only by the cover but also with the content. This is one reserve that can break don't assess book by its include, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Neil Nilsson:

This The Economics of Immigration: Theory and Policy is great reserve for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great coordinate word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having The Economics of Immigration: Theory and Policy in your hand like getting the world in your arm, facts in it is not ridiculous just one. We can say that no guide that offer you world in ten or fifteen minute right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?
